Getting Things Done is a time management method, described in the book of the same title by productivity consultant David Allen. The method is often referred to as GTD. The GTD method rests on the idea of moving planned tasks and projects out of the mind by recording them externally and then breaking them into actionable work items. This allows one to focus attention on taking action on tasks ...

Of course you shouldn't tolerate the intolerable. What I would advocate is trying to expand one's definition of tolerable. Spending one's effort in a fight, either political or a literal war, is not

usually a good way to increase utility.
