

global market conditions and pdf

Section III discusses the role of global market conditions and systemic risk from a qualitative perspective. The methodology and results are presented in Section IV, and we offer some concluding remarks in Section V. II. OVERVIEW OF SYSTEMIC RISK Before evaluating tools that can be useful to detect and measure systemic risk, one needs to

Global Market Conditions and Systemic Risk - IMF

Summary: This paper examines several key global market conditions, such as a proxy for market uncertainty and measures of interbank funding stress, to assess financial volatility and the likelihood of crisis.
