### **Talent and capability in global finance functions**

We view Donald Trump's ascendancy to the Presidency of the U.S. as confirmation of a political and economic paradigm shift that started with Brexit but is likely to continue for the foreseeable future, including elections across Europe in 2017. Consistent with this view, we believe that there are four major potentially secular changes that all investment professionals must consider: fiscal ...

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...
