Marvel Comics includes many characters based on deities from several mythological pantheons. The most significant one is Thor, a character based on the deity of the same name from Norse mythology. Other deities from Norse myths were adapted for Thor's supporting cast, along with Heracles and other deities from Greek mythology. Deities from other pantheons are also adapted from time to time.

The Discworld gods are the fictional deities from Terry Pratchett's Discworld series of fantasy novels. The Discworld, being a flat disc supported on the backs of four elephants on top of a giant flying turtle, exists in a region of the universe where reality is somewhat less consistent than it appears in our own, more mundane corner of existence.. Because reality on the Disc is so fragile and ...
