Tolkien was interested in languages from an early age, and developed several constructed languages while still a teen. Eventually, as a young adult, he created an entire family of constructed languages spoken by Elves and a secondary world where these could evolve.. One of these languages was created c. 1915 and it was inspired by the Celtic languages. ...

And of course it's not an either/or dichotomy. We can care about the language we use and still fight human rights abuses in Myanmar and child marriage around the world. Indeed, changing how we talk to and about women will help us dismantle rape culture and raise kids who are world-changers.. So here is my list so far of dozens of sneakily sexist words to get us all thinking.
