

health and social care pdf

Health care or healthcare is the maintenance or improvement of health via the prevention, diagnosis, and treatment of disease, illness, injury, and other physical and mental impairments in human beings. Healthcare is delivered by health professionals (providers or practitioners) in allied health fields. Physicians and physician associates are a part of these health professionals.

Health care - Wikipedia

The Health and Social Care Act 2012 is an Act of the Parliament of the United Kingdom. It provides for the most extensive reorganisation of the structure of the National Health Service in England to date. It removed responsibility for the health of citizens from the Secretary of State for Health, which the post had carried since the inception of the NHS in 1948.
