A patent holding company (PHC) exists to hold patents on behalf of one or more other companies but does not necessarily manufacture products or supply services based upon the patents held.. Patent holding companies may exist for tax reasons. Patent holding companies may also operate patent pools in order to provide a single source for licensing a patented technology.

Patent holding company - Wikipedia

As a pioneer in healthcare, we have been committed to improving lives since the company was founded in 1896 in Basel, Switzerland. Today, Roche creates innovative medicines and diagnostic tests that help millions of patients globally.
