By all accounts, feminist theology is at a crossroads. Even as longstanding consensus wanes that women's experience is the source and norm of feminist theology, the specific and often contradictory experiences of different groups are now highlighted, and new theoretical frameworks are emerging.

### **Horizons in Feminist Theology.: Edited By: Rebecca S**

present feminist theology as a critical theology. First, I will attempt to point out the feminist critique of the practice of theology by professional theologians and institutions. Then I intend to show how in the tradition, androcentric theology functions to justify the discriminatory praxis of the Church toward women.
